# Stay on top of the world.

New lines are being drawn and redrawn every day. In Eastern Europe. In Russia. Among Christians over issues like abortion, child care and school prayer. You can depend on *Christianity Today* to bring you accurate news coverage and thoughtful commentary to keep you informed on what's happening today.

Columnists Chuck Colson and Philip Yancey, along with other outstanding Christian leaders, will give you a Christian perspective on the news that you can't find in the secular press. It's an excellent way to stay on top of today's world.
